

## **ECONOMIC IMPACT STATEMENT**

**K.A.R. 115-30-10.** Personal watercraft; definition, requirements, and restrictions.

**DESCRIPTION:** This permanent regulation establishes provisions and restrictions concerning the operation of personal watercraft. The proposed amendments would increase the no-wake zones around certain areas from 100 to 200 feet, add two types of locations to the list of areas where no-wake zones exist, and modify two paragraphs to conform to changes in state law dealing with boater education. The proposed changes would become effective on January, 1, 2008.

**FEDERAL MANDATE:** None.

**ECONOMIC IMPACT:** The proposed amendment should not have a significant economic impact on the department, the general public, or other agencies.

**ALTERNATIVES CONSIDERED:** None.
