

Cabin Reservations:
reserve.ksoutdoors.com

Mined Land Wildlife Area offers one modern rental cabin as an alternative to tent and RV camping. The cabin is located on Unit 30 of the wildlife area overlooking Trout Lake. It is available to rent year-round and will accommodate up to six overnight guests. The MLWA offers fishing, hunting, wildlife viewing and primitive camping year-round. The Trout Lake is a deep, clear strip-mine lake, known best for its trout fishery, one of the few in Kansas where trout survive year-round. See fishing regulations for trout stamp requirements.

MAKING A CABIN RESERVATION

To ensure availability, reservations must be made at least 7 days prior to the arrival date. Persons 21 years of age or older may make reservation requests. Phone reservations will also require a credit card payment. There is no vehicle entry fee for this area. A damage/cleaning fee of \$60 will be collected if the cabin is damaged or left unclean at check-out. Full payment is due at time of reservation.
