

ECONOMIC IMPACT STATEMENT

K.A.R. 115-20-7. Doves; legal equipment, taking methods, and possession.

DESCRIPTION: This new permanent regulation establishes certain requirements for hunting of doves. Due to the expansion of dove hunting to include exotic dove species both in the migratory dove season as well as in their own special season, the development of a regulation is necessary to allow the take of exotic doves legally. Previously, the legal equipment for the taking of doves was governed by federal law only.

FEDERAL MANDATE: None.

ECONOMIC IMPACT: The proposed amendments are not anticipated to have any appreciable economic impact on the department, other agencies, or the public.

ALTERNATIVES CONSIDERED: None.
