

Seasonal Fisheries Biologist Technician

This **temporary** position is in the Fisheries Division and will be located at the Region 3 office in Wichita, Kansas. This position will be directly supervised by Micah Waters and is limited to a maximum of 999 hours per calendar year.

The incumbent will assist the District Fisheries Biologist primarily with fish stocking and population monitoring as well as: fishing clinics, equipment maintenance, answering pond and lake management questions from the public, and informing the public of outdoor recreational opportunities, fisheries value, and fisheries management.

Beginning hourly salary: \$15.03/hour, up to 40 hours/week, maximum 999 hours per calendar year.

Minimum Requirements: Demonstrated interest and entry level knowledge in fisheries, wildlife, or natural resource science. Must possess a valid driver's license and be willing to work some weekends, evenings, variable workday lengths, and in outdoor situations as required.

Physical Requirements: This position requires a moderate level of physical activity, strength and stamina. This may include walking across rough terrain, lifting and carrying up to 50 lbs., working in inclement weather conditions, exposure to heat and cold, and working on the water from a boat.

Preferred Qualifications: Bachelor's degree or experience working in fisheries management, human dimensions, teaching angling techniques to families and children, trailering and hauling boats and equipment, effective oral and written communication with a variety of people, data collection & entry, CPR/First Aid training, Microsoft Office, and the ability to think critically and work independently with a high level of organization is preferred.

HOW TO APPLY: For further information contact Micah Waters at micah.waters@ks.gov Applicants must complete a KDWP employment application located at <http://www.ksoutdoors.gov/KDWP-Info/Jobs/Employment-Application-Additional-Info> or at any KDWP office. Complete applications should be mailed or emailed to:

Cheney Wildlife Area
