Regulations

A motor vehicle permit is required for all motorized vehicles entering the park. UTV’s and golf carts require special Unconventional Motor Vehicle Permit.

Vehicles are permitted on improved roads and parking areas only.

A camper may stay at one campground up to 14 consecutive days, and may extend an additional 14 days only with written permission from the manager. Some parks offer “Seasonal Camping” programs that extend the stay limit.

Fires are allowed in fireplaces, fire rings and cooking grills only.

Pets must be under direct supervision of owner and restrained on a leash, not longer than 10 feet, or otherwise confined. Pets are not allowed in designated swimming areas.

A special event permit is required for any event involving entrance fees, sales, organized competition, amplified sound, use of temporary structures (does not include common camping equipment or blinds) or reservation of specific site or facility.

Quiet hours are 11 p.m. to 6 a.m. Actions which alarm, anger, or disturb others are prohibited. Failure to comply may result in expulsion from the park and a notice to appear in court.
