

**Would you like to learn more about hunting Canada geese?  
Here is your opportunity!**

**Kansas Advanced Hunter Education  
Canada Goose Hunting Seminar**

Sunday, December 11, 2005  
Noon-5 P.M.  
Haysville Community Building  
130 East 2<sup>nd</sup>  
Haysville, Kansas

This is a beginner's course on waterfowl identification, goose decoy spreads, calling and flagging, and concealment. Participants will have hands on instruction and will gain a better understanding of hunting Canada geese. Dark goose season heats up as the temperature falls. Don't wait to try this exciting sport!

To register, call Larry McAdow at (316) 835-3244. The group will be limited to 30 participants. The fee for this seminar is \$30.00 per person. Youths (17 & under) are \$20.

For those participants who like to join us for a second afternoon on Sunday, December 18. We will be shooting one box each of steel shot at clay targets in actual hunting situations to hone your wing shooting skills. The fee for this portion is an additional \$15.00. Sorry, no youth discount for the second portion.

In addition to calling the number listed above, you must mail a \$15 non-refundable deposit (per person) to the address listed below.
